## CAREER COUNSELLING & GUIDANCE

We assess student's academic backgrounds, interests, and goals to guide them in choosing the right study destination. Each student receives personalized counselling and is assigned a dedicated mentor for continuous support.

After career counselling,  
we start three processes.

### UNIVERSITY SHORTLISTING

We help students choose universities based on future prospects, rankings, location, placements, scholarships, lifestyle, and transportation accessibility, ensuring the best fit.

### DOCUMENT PREPARATION

We assist in drafting and refining essential documents, including LORs, SOPs, LOMs, education gap justifications, insurance papers, medical documents, and education loan applications, ensuring a strong profile.

### EXAM PREPARATION

We provide expert coaching for IELTS, TOEFL, PTE, Duolingo, GRE, and language classes in Italian and German, with structured study plans and mock tests to ensure success.

These processes will help in effectively working on the segments.

#### APPLICATION FILING

Our experts handle SOP and CV structuring, LOR and LOM drafting, and document reviews, ensuring accurate and complete university applications.

#### SCHOLARSHIP ASSISTANCE

We support students in securing scholarships by assisting with application filing, document translation, attestation, and apostille legalization to ensure successful submissions.

#### VISA PROCESSING

We provide visa appointment booking, document filing, travel and medical insurance, interview preparation, and sponsorship letter assistance, along with flight and accommodation bookings. Our 24x7 VFS support ensures a smooth process.

#### PRE-DEPARTURE GUIDANCE

We prepare students for travel with packing checklists, financial planning, accommodation arrangements, and immigration interview training, along with a free internal SIM card for immediate connectivity.

#### POST-ARRIVAL SUPPORT

Our foreign offices assist with airport pickups, alumni meet-ups, document verification, settlement, job search, and internships. Our 24x7 emergency support ensures immediate assistance whenever needed.

#### SUPPORT'S FAMILIES AND STUDENTS

We maintain communication through WhatsApp groups for students and families, provide guidance on study-to-work visa conversion, and assist with post-graduate work permits, ensuring a smooth transition from study to career.

## OUR FOUNDER'S COMMITMENT.

"To Make Study Abroad Pocket-Friendly  
and Accessible to Everyone with Trust,  
Transparency, and Value."

I started my journey with FLCS, and I am happy to share that I got admission! They guided me through the entire process, provided detailed information about different cities in Italy, and helped me understand the budget required for each step. They also offered practical advice on overcoming challenges along the way.
